

Food Brings Hope

Volusia-Flagler's Food Brings Hope initiative - a volunteer effort to provide food for hungry students in Volusia and Flagler county schools - received a \$4,400 windfall from PGA Pro Fred Funk's recent appearance at Plantation Bay in Ormond Beach.

Fred Funk

ICI Homes, developer of Plantation Bay, sponsored the appearance by PGA Pro Fred Funk to celebrate the re-opening of Club de Bonmont at Plantation Bay. Funk provided a free golf clinic and then played a round of golf with participating pros. Mori Hosseini, founder of ICI, announced he would donate \$500 for every birdie scored during play. Ormond Beach Mayor Fred Costello upped that amount by \$50 for every birdie.

As a member of the board of directors of the Community Foundation of Volusia-Flagler, a division of United Way, Forough Hosseini, started the Food Brings Hope Initiative and serves as its chairperson. Mrs. Hosseini started the initiative when her twins, Nina and Nika told her of classmates who didn't know where they were going to get their next meal.
