GIVING BACK

Curves makes donation to food program

Curves South Daytona owner and manager Deb Stokes, right, presents Food Brings Hope Executive Director Judi Winch with a check for \$1,289 to go towards the nonprofit's weekly food bag program.

For the last 15 years, Curves Gym in South Daytona/Port Orange has participated in the Curves International Food Drive where they select a local charity to benefit from either collected food items or donations so that the charity itself can purchase food from a local food bank.

This year, the gym's members purchased a donation card with the amount of food they would "sponsor" on the card and then would hang it on the Curves donation wall.
