The team refurbishes donated bicycles and delivers them to local school children, some who have never had a bike of their own

Recognized by The National Bicycle Dealers Association, The Hub Cycle made the 2016 list of America's Best Bike Shops. Not only for providing their expertise in Cycling but also for their dedication to their community. Spring's here and we want to encourage the children to “Spin to Win” and stay fit while exploring their neighbors. An appreciation for cycling instills discipline and a desire to explore independently.

Principal Picott said he appreciates the support and know that these bicycles are an incentive for students to safely come to school every day. This gift from The Hub Cycling also lets students know hard work has its rewards. Bikes will be awarded during Campbell's TeenZone Student/Parent Involvement Night.
