Food Brings Hope Recognizes Giles Electric as Business of the Month

Food Brings Hope recently recognized Giles Electric as Business of the Month. Giles Electric has been a longtime supporter of FBH. Owner Brad Giles and his wife, LeighAnne, have been involved with FBH throughout the years as sponsors of activities and events such as the Pearls of Hope Gala. LeighAnne has often served on the Planning Committee for the Gala.

During the pandemic, when FBH had access to food for the Pierson Pantry, but no way to transport it, Giles Electric stepped up and provided a truck and employees to assist in picking up the food at Second Harvest and delivering it to Pierson. Employees, Harper Giles and Eric Turner, volunteered their time every Tuesday from March through June to ensure that food was delivered to Pierson for the weekly Drive Through Food Distribution. Their efforts aided Food Brings Hope in providing approximately 350 food bags to families in the Pierson area each week.

FBH deeply appreciates Giles Electric's support and generosity and congratulates them on this recognition!
