### **ORMOND BEACH MIDDLE SCHOOL TEENZONE STUDENTS PREPARE FOR THE HOLIDAYS**

Ormond Beach Middle School TeenZone recently made lemon pies. The students worked as teams to follow a recipe, organize ingredients, mix the ingredients, clean up and wash the dishes. For some, it was the first time having this experience in the kitchen. The students were able to work together and then share their final product with their peers and even take some home to share with their families. Now some of the pies were a bit tart, but they all were made with Love, Heart and Soul.

Teacher and TeenZone sponsor, Celena Stephens, stated, "Opportunities such as this baking assignment, teaches our students teamwork and organizational skills, but also gave them the confidence in following a recipe and feeling comfortable in the kitchen. They were involved from prep to clean-up and every student participated in all aspects of the activity."
