ERAU hosts annual Game Night

DAYTONA BEACH – KidsZone and TeenZone participants recently attended the Food Brings Hope Game Night at the ICI Homes Center. The crowd of 323 Volusia County students watched in excitement as the ERAU Men's Eagles defeated the Gyrenes of Ave Maria College 85-57.

Students and chaperones of Food Brings Hope's afterschool programs, called KidsZone for elementary and TeenZone for the middle and high schools, enjoyed an evening of food, games and music courtesy of the Embry-Riddle Athletic

Association.

"Many of my kids hadn't seen Daytona Beach, let alone a university campus," expressed Efrain Alejandro, principal intern at Taylor Middle-High School, one of the 12 schools in attendance. "We are very appreciative to Food Brings Hope for the opportunity to participate."

The night started with ERAU men's head basketball coach, Steve Ridder, welcoming the group with a few words on respect, goals and being thankful.

"During the holiday season it is especially

important to be thankful for those who do so much for us," he reminded the students.

Ritter brought along senior players Daniel Kiesling and Eddie Gray to reiterate to the younger students that showing respect to others and making the choice every day to get better will put them on the path to reaching every goal they set.

KidsZone and TeenZone were then served pizza and drinks by ERAU's softball team. Throughout the game, students were invited to play games for prizes

during the time-outs.

"We are so thankful for the hospitality ERAU has shown Food Brings Hope students over the years," said Judi Winch, FBH executive director. "I have attended this event many times in the past as a principal and I know how much this annual collaboration means to our students and sponsors."
