Families enjoy evening of holiday cheer

DAYTONA BEACH – To celebrate the holiday season, Food Brings Hope and Embassy of Hope invited 30 families, about 200 people, to attend an evening filled with food, giveaways and lots of holiday cheer on Dec. 8 for a “Hope for the Holidays” event at Westside Elementary.

Food Brings Hope and Embassy of Hope share the common mission of equipping children with the tools and resources they need to reach their full potential. Both non-profits provide assistance to economically disadvantaged students and their families in the hopes of breaking the poverty cycle in these families and ensuring a brighter future for them as well as for the overall community.

“At Christmas, I zone in on Christ and children. I hope that the families at Westside Elementary enjoyed the clothing, food and gifts, but more importantly, have a renewed faith in the spirit of Christmas,” said Michelle Carter-Scott, director of Embassy of Hope.

Community partners donated items and volunteer time so that each family was able to choose gifts for each household member. The Sodexo team, a dining services company that serves Embry-Riddle Aeronautical University, catered and served the evening’s
