Joseph Vetter talks to students about the character he portrays, General Adelber Ames. Ames was the last surviving "boy" general of the Civil War.

Students from the Teen Zone program at New Smyrna Beach High School got some living history lessons Wednesday when they visited the Halifax Historical Society Museum in Daytona Beach.

The students were the first to participate in "Journey through Day Town," an educational program that includes a film on local history, artifact displays and re-enactors portraying area pioneers.

Teen Zone is an after-school tutoring and enrichment program operated by Food Brings Hope, a donor-advised fund of the Community Foundation of Volusia and Flagler Counties.
