

Area Boy Scouts provide many gifts to the Food Brings Hope and Project Share initiatives for Pierson Children this holiday season.

Through the generous giving of the Boy Scouts of the Three Rivers District, many children will truly experience the joy of this holiday season. Homeless and economically disadvantaged students from the Pierson area will be the recipients of fishing poles, sport balls, bicycles, board games, backpacks, clothes and other items donated by the Boy Scouts.

Christine Eggert-Frampton, Troop 429 committee chair, selected Food Brings Hope as the recipient of the gifts after reading about the non-profit organization in the newspaper. Mrs. Eggert-Frampton and other troop leaders encouraged their scouts to participate in helping those less fortunate and were very pleased by the enthusiasm of the scouts. They specifically chose to provide items for middle-school children.

Project Share, the Christmas service project of the Rotary Club of Flagler Beach under the direction of Roseanne Stocker, partnered with Food Brings Hope and will identify the students and their siblings who will soon receive the gifts. For many years, Project Share has been coordinating the distribution of gifts for the children in the Pierson area.

Through the selfless giving of the Boy Scouts of the Three Rivers District, next week many of our children and their families will experience a wonderful holiday and memories that most of us take for granted during the Holiday season.
